

Locate South GeorgiaLEADS (LSGL)

A Program of Locate South Georgia and Our Economic Development Partners

APPLICATION DEADLINE: July 6, 2018

Guided by the belief that leadership is key to a region's economic success, the Georgia Chamber of Commerce and the J. W. Fanning Institute for Leadership Development at the University of Georgia partnered in 2014 to create GeorgiaLEADS. Locate South GeorgiaLEADS is the result of that partnership—and the collaborative efforts by economic development professionals across the 21-County South Georgia region who understand the critical importance of investing in a new generation of leaders that can champion the region and its many assets; while work collectively towards creating effective solutions to address significant challenges related to workforce development, education, and economic growth throughout the region.

Our purpose is to create a more competitive South Georgia. We invite you to join us.

APPLICATION FOR ADMISSION
